

CO-OP PROGRAM APPLICATION

Thank you for your interest in our co-op program! This program allows students to receive an amazing education at a reduced cost by the family sharing their time and talents during "school support hours". Financially, the school can only afford to offer a very limited number of co-op spots. Acceptance into the co-op program is based on the following: financial need of the family, value-added services that the family can provide during school support hours, and the school's financial status (how many spots the school can afford). All families are encouraged to participate in their child's education and are welcome to volunteer at school, whether or not they are part of the co-op program. Email your application to **kim@yadkinvalleyschool.org** or mail it to **PO Box 809, Elkin, NC 28621**.

Why are you interested in participating in the co-op program? _____

One consideration for participation in the co-op program is financial need. Please feel free to include any additional considerations at the bottom of the application.
 Number of people in your household _____ Annual Household Income _____

Which days of the week are you available and what times?

DAY of the WEEK	TIMES

Which do you prefer?

- Working in the classroom with the children
- Working in the classroom, but not with my own child
- Working outside of the classroom
- Any of the above

We need many tasks to be completed to make the school run smoothly. Options for co-op activities include but are not limited to: going with the class to enrichments, administrative duties (organizing field trips, grant writing, newsletters), making classroom materials (cutting, pasting, laminating), cleaning, lawn care, fundraising and music. What are the special skills and talents that you would like to offer the school? _____

Any additional comments: _____
